Powder Creek

shooting park

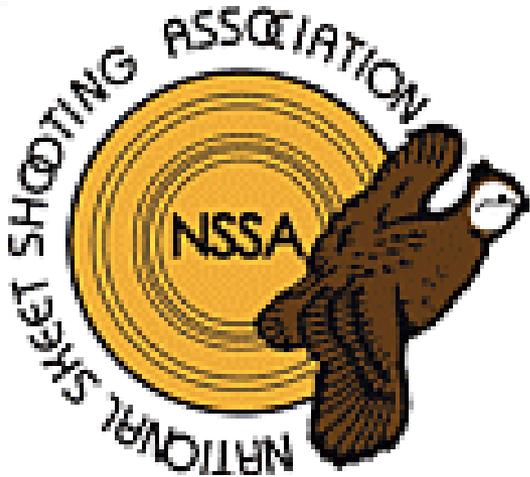

Powder Creek was established in 1949 as the Kansas Field and Gun Dog Association and was then known as A place to run the dogs and shoot some guns. Since those early days, Powder Creek has grown in membership and is the most complete shotgun shooting facility in the Kansas City Metropolitan area. Powder Creek is a full service gun club located four miles West of I-435 on 87th Street and 3/8 of a mile South on Monticello Road in western Lenexa, Kansas. The club is member owned and operated through our Board of Directors. Powder Creek offers Trap, Skeet, 5-Stand, Sporting Clays, and an Archery range for members and the public. An off-leash dog area, fishing pond, and a club house including a newly built patio area in which to relax, socialize, or just hang out are also available. Throughout the year we hold registered shooting events, fun shoots, leagues, and our facilities are available for group and corporate outings. We invite you to browse our website for more detailed information on Powder Creek's Shooting Ranges, or better yet, take the opportunity to visit Powder Creek and enjoy our relaxed friendly atmosphere, diverse shooting opportunities, and a heritage steeped in the shooting sports traditions spanning 70 years.

WELCOME SHOOTERS

See the program for additional details. For you 16 Gauge fans, a special Vintage Skeet Event will be offered. Also side games will be offered each day [details elsewhere in the program].
- Special recognition is deserved for CZ-USA, our Signature Sponsor, for their support of this program and supporting sponsors C.S.M.C. for their Catalog Gift Certificates given as door prizes at the daily awards programs, ClayBuster for their fine shotgun wads, and Tilden Trophies for the great HOA buckle..
- We would be remiss not to thank our many daily event sponsors. All our supporters are showcased throughout this program. Don't hesitate to tell them you saw their ad here!
- We hope that you will participate in every event while you are visiting the us. Remember, equipment for the Skeet events is limited to "vintage style" firearms, specifically side-by-side or pump-action shotguns of either modern or vintage manufacture. Also, some side events are gauge specific or limited to side-by-side shotguns only, so be sure to read our entire program.
- **Good Luck and Good Shooting!**

Scores must be submitted by 5:00 p.m. daily for award consideration.

The CZ-USA Hammer Gun Classic will bring back memories of Grandpa's shotgun for many of us. While the old side-by-side that hangs on the fireplace will never be safe to shoot with modern ammo, the CZ-USA Hammer Gun Classic can help you relive the hunts of yesteryear. The case-hardened side lock receiver with functioning hammers and long 30 inch barrels might make you think the day has passed by, but precision machining and modern steels ensure that this shotgun will be shooting for generations to come.

H.O.A. AWARD
Compliments of
TILDEN TROPHIES

Philosophy

A shooting experience for Gentlemen and Gentlewomen who appreciate the guns, attire and habits of the Vintage Years (1880-1914)

Guns

A safe side-by-side cartridge gun of good quality is required that reflects the Vintage period in its nature.

Clothing and Accessories

Clothing and accessories shall be appropriate to the English Sportsman of the period and their guests. The Double Gun Society (formerly "Vintagers Order of Edwardian Gunners") began in 1994 when four friends who loved both side-by-side shotguns and the game of sporting clays recognized that the emphasis on score discouraged the use of fine game guns at sporting clay events. In response, they set up shoots for classic guns with emphasis on fun targets, Vintage attire, fine dining and good fellowship.

Membership

Membership in the Vintage Gunners is available to those who share our enthusiasm for the Double Gun. Members are invited to all shooting and social events promoted by the Vintagers and by its affiliated chapters. Members in good standing receive periodic newsletters which may contain historic double gun information, news from the Headquarters, calendar of events as well as additional related articles. The pleasures of shooting double guns, consuming special cuisine and admiring finely executed gun work are greatly enhanced when shared.

Chapters

Distance between members imposes a handicap to this shared enjoyment. Therefore, we encourage the formation of local chartered affiliates called Chapters. Members are allowed and encouraged to form a chapter for the mutual benefit of all.
